## End of Life Notification

Notification date: 20-Sep-2018

---

End of Life (EOL) will be issued 28 Sep 2018 for product listed below
Last Time Buy (LTB) will be issued 30 Nov 2018 for product listed below
Last Time Delivery (LTD) will be issued 25 Feb 2019 for product listed below
End of Repair (EOR) will be issued 30 Aug 2019 for product listed below

### Reason of EOL

Caused by some of the main components of PWS series are no longer available. Beijer Electronics is unavailable to build new units after the EOL notice of Last Time Buy date. Through X2 base (nADP) is lunched in market, therefore we will involve you to transfer your models from PWS to X2base (nADP).

Apart from this, we would like to suggest you to place your models which are subject to End of Life before the Last Time Buy date to ensure you or your customers have enough time to convert from PWS to X2 base (nADP) or X2 base (iX).

### Customer Action Requested:

Beijer Electronics will accept non-cancelling purchasing orders for above mentioned EOL product through LTB date or until stock is depleted. The purchase order can be scheduled with different delivery date through LTD date. No delivery will be done after LTD.

Purchase orders after LTB date will not be accepted

**The LTB will base on history business to confirm final order to customer, Beijer Electronics will take the right of decision to arrange LTB quantity to each customer.**

Thank you for your immediate attention to this end of Life notification. If you have any questions or concerns, please do not hesitate to contact your Beijer Electronics representative.

Sincerely

Jamie Chang  
Senior Product Manager  
Business Management & Support Director
