

End of Life Notice: QTERM-K65

1 August 2015
(revised)

Due to the discontinuation of required parts and components, Beijer Electronics, Inc. plans to End of Life (EOL) production of the QTERM-K65. Last dates for purchase orders and deliveries are listed below.

Product	End of Life Notification	Last Order Date	Last Delivery Date
QTERM-K65	Original: 20 May 2013 Update: 1 August 2015	15 June 2013	20 December 2013

You may purchase the QTERM-K65 until the Last Order Date. Purchase orders may not be canceled. No purchase orders will be accepted after the Last Order Date. Deliveries must be scheduled before the Last Delivery Date.

~~We have ordered enough discontinued parts and components to complete customer orders and to provide service for the QTERM-K65 terminals for up to five years.~~ As of 1 August 2015, Beijer has limited abilities to repair QTERM-K65 units or to sell replacement parts. Please call Beijer Electronics Service to inquire prior to requesting an RMA or spare parts.

Below is a transition path for current customers to migrate to our new products.

EOL Product	Suggested Replacement	Description
QTERM-K65	QTERM-G72	High resolution (800x480) TFT display Qlarity® development software
	QTERM-A7	High resolution (800x480) TFT display Beijer iX software with PLC drivers Extended environmental specifications Class I Div 2 certified

Please contact your sales representative if you have any questions or need assistance with the suggested terminal replacements. For details about converting your current VTP applications, please contact our customer support group at 1-801-466-8770.

We sincerely apologize for any problems this may have caused.

Sincerely,

Product Management
