Spare parts for products listed below: LTB 31 March 2015, LTD 31 September 2015.

Customer Action Requested

Beijer Electronics will accept non-cancelling purchase orders for the QTERM-Z60 products through LTB date. Purchase orders after the LTB date will not be accepted. Purchase orders can describe different delivery dates through the LTD date. No deliveries will be done after the LTD date.

Operator Panels Subject to End of Life

Operator Panels Subject to EOL		Suggested Replacement ¹
Model	Part Numbers	
QTERM-Z60H	All QTERM-Z60H/xxx part numbers	QTERM-G72 and QTERM-A7
QTERM-Z60L	All QTERM-Z60L/xxx part numbers	QTERM-G72 and QTERM-A7

¹ The QTERM-G72 is the most common replacement unit. It is a Qlarity-based, 7", 800x 480 TFT display. The QTERM-A7 is also a 7", 800x 480 TFT display but with extended environmental specifications. The Z60 project(s) will need to be resized for the G72 and any hot buttons re-drawn. Qlarity Foundry provides a wizard to resize most Z60 workspaces to the higher resolution Qlarity displays. If this programming effort is unreasonable, the A7 may be a better fit as its faster CPU can dynamically scale a Z60 application to fit the larger display and draw any Z60 hot buttons used.

Pricing

Model	Part Numbers	Price ²
QTERM-Z60H	Typically QTERM-Z60H/006	\$795
QTERM-Z60L	Typically QTERM-Z60L/007	\$695

² in US dollars; there are no volume discounts allowed.

Thank you for your attention to this End of Life notification. If you have any questions or concerns, please do not hesitate to contact your Beijer Electronics representative.

Sincerely,
Product Management
