End of Repair (EOR) will be as long as parts are available.
End of Service (EOS) will be as long as parts are available.
Spare parts for products will be as long as they are available.

The purpose of this email is to provide notification of the discontinuation of the TREQ-L mobile data terminal. This applies to all models and all configurations of the TREQ-L.

For past or existing TREQ-L customers, Beijer Electronics, Inc. will continue to accept orders for the TREQ-L until close of business on 12 October 2012. All orders must be scheduled for shipment no later than 21 December 2012.

We encourage existing TREQ-L customers and new customers requiring TREQ-L functionality to consider the new TREQ-VM mobile data terminal, which offers new features and improved performance in a similar form factor.

EOL Model	Suggested Replacement
TREQ-L	TREQ-VM

Information about the TREQ-VM can be found at <http://beijerinc.com/product/vehicle/treq-vm-vmx.php>

Thank you for your attention to this End of Life notification. If you have any questions or concerns, please do not hesitate to contact your Beijer Electronics representative.

Sincerely,
Product Management
